All **field locations** are found on the website

There will be a **calendar** showing all games (once scheduled)

If you know of someone ages 12 and older that would like to **referee** (we are **looking for adult referees** as well) please email refereecoordinator@hanoverminorsoccer.ca

Soccer is played in the rain. If there is lightening, the referee will postpone the game and wait for 20 minutes between lightening strikes OR the referees will cancel the game. All games will be cancelled by the referees if on game day.

ONLY EXCEPTIONS will be for the U5 & U6...coaches will cancel the game as there are no referees.
