CHANGES FOR UNDER 8's

We will be traveling once again this season BUT we will be traveling to Mount Forest (possibly Holstein), Durham & Markdale instead of the area we have the past few years.

Also changes with the LTPD that you will see this season is the number of players on the field at a time (5v5 including goal keeper), the fields and nets will be smaller & your game will have 2-15 minute halves with 30 minutes of practice prior to the game. There will be no scores kept and teams will have a max of 10 children on them with a focus of equal playing time for all kids. You will also have 2-3 festivals (just like tournaments) throughout the year (not finalized yet). Your game night is changed to Wednesday.

There will also be a 30 minute practice night with a 30 min scrimmage for all U-8 teams in addition to their game nights.

PICTURE DAY

Monday June 10th is set for picture day at the Hanover Soccer Fields. In case of rain, we will meet at the P & H Center (on arena floor). Each player will receive a free traditional sports mount that includes an individual picture and a team photo. Additional pictures and collectables will be available to order if desired. Each player **must** complete an order form and bring it to picture night even if you are not ordering additional pictures. Forms and a schedule will be provided by your coach and will be posted to the website closer to the date.

UNIFORMS

As last year, each player will receive a brand new uniform including socks, shorts and a team jersey. Players are required to wear these items to all games. Players do not have to return the uniforms at the end of the season. It is yours to keep. Players are also responsible for providing their own shin guards and soccer cleats. Remember there is to be **NO JEWELRY** worn on the soccer field at any time.

COACHING

If you coached last year and are willing to return to coach again this season or if you are interested in coaching for the first time, please call Mike Pollard at 519-364-1807.

New coaches must attend a coaching clinic and will receive half of the clinic fee back at the end of the first season and the second half after coaching a second season.

BIKE PARK

Just a note to remind everyone that the bike park is not an area for the kids to be playing at...Please remind them to stay clear of this area.

CHANGES FOR UNDER 10's
