Let's all enjoy the game!

Hanover Minor Soccer Association is committed to offering an enjoyable and inclusive soccer experience to all our participants based on Canada's Grassroots soccer framework.

We encourage participants to have fun.

We focus on learning and growing rather than just skills.

We provide an inclusive environment that allows all players to participate regardless of race, colour, creed or ability.

Our anti-bullying policy creates a pleasant environment for all players.

We strive for fair and equal playing time, rotation of positions, at all ages and skill levels.
