## **2013 INTER-COUNTY SOCCER LEAGUE RULES - U8**

All games will be played using Mini Soccer Rules with the following exceptions:

1 – Unlimited substitution on stoppage of play and signal of Referee. Players being substituted must be completely off the field before the substitute player enters the field of play.

Stoppage of play:

- a) Drop ball (due to injury)
- b) Goal being scored
- c) Goal kick
- d) Own throw-in or if the other team substitutes on their throw-in

2 – Maximum number of players on the field is 5 per team (4 players plus 1 goalie). Each team must play even aside on the field. If fewer players show up then mix the players up and have a “fun game”.

3 – The game will be divided into 2 halves of 20 minutes each with a 5 minute break at half time.

4 – Each player that dresses for the game is encouraged to play 50% of the game unless injury or illness prevents this (note: this is the coach’s responsibility not the referees)

5 – Coaches, Managers, Team Officials and Parents shall not criticize Game Officials at any time throughout the game and shall encourage the same attitude from the players and other supporters. Our referees and assistant referees are learning too. Coaches are responsible for their bench and spectators. If there is a problem with spectators, the coach of the spectator’s team will be asked to deal with that person. If the spectator is not part of either team the home coach is responsible for dealing with that person.

6 – Rivalry and antagonism between towns/clubs/teams is strictly forbidden. We need each other to have a valid and fun recreational league.

7 – Coaches must stay and coach from their “bench area”. There is a maximum of 2 coaches and 1 team manager at each bench.

8 – Throw-in – If a player does an improper throw, the referee will stop the play and allow the player to retake it explaining the reason for the foul throw. If the player does an improper throw the 2<sup>nd</sup> time, the game will continue.

9 – Free kicks – If a player touches the ball twice before the ball is played by another player the kick will be retaken.

10 – No attacking player is allowed in the “goal area” at all times. An indirect kick will be given to the defending team if this offence is committed. The “goal area” is a box around the net that extends 2 yards from either side of the goal posts and 3 yards out into the field.

11 – Team benches must be on the other side of the field away from the spectators. Spectators may not be at the ends of the fields.

12 – No scores or standings will be kept in the U8 division. As a courtesy, coaches are encouraged to manage their team in a sportsmanship like way.

13 – If a game is cancelled due to weather or by the referee the game will not be rescheduled. If a field is closed please notify the opposing team by 5:00 PM.

14 – There will be no smoking at the field by either coaches or parents. Please ask your parents to move to the parking lot if they wish to smoke during a game or practice.

15 – A size 4 ball will be used and supplied by the home team

## **2013 INTER-COUNTY SOCCER LEAGUE RULES - U10**

All games will be played using Mini Soccer Rules with the following exceptions:

1 – Unlimited substitution on stoppage of play and signal of Referee. Players being substituted must be completely off the field before the substitute player enters the field of play.

Stoppage of play:

- a) Drop ball (due to injury)
- b) Goal being scored
- c) Goal kick
- d) Own throw-in or if the other team substitutes on their throw-in
- e) Start of each quarter

2 – Maximum number of players on the field is 7 per team. Each team must play even aside on the field. A team with less than 5 showing up must forfeit the game. A grace period of 15 minutes is allowed to see if more players show up. If no players show up then mix the players up and have a “fun game”.

3 – The game will be divided into 4 quarters of 15 minutes each with a 2 minute break between quarters and a 5 minute break at half time.

4 – Each player that dresses for the game must play 50% of the game unless injury or illness prevents this (note: this is the coach's responsibility not the referees). Half of the boys or girls (rounded down, whichever gender has fewer players) that are present at a game, must be on the field at any time, while promoting equal playing time for all. IE: If a team has 5 girls and 8 boys present at a game, then there must be 2 girls on the field at all times.

5 – Coaches, Managers, Team Officials and Parents shall not criticize Game Officials at any time throughout the game and shall encourage the same attitude from the players and other supporters. Our referees and assistant referees are learning too. Coaches are responsible for their bench and spectators. If there is a problem with spectators, the coach of the spectator's team will be asked to deal with that person. If the spectator is not part of either team the home coach is responsible for dealing with that person.

6 – Rivalry and antagonism between towns/clubs/teams is strictly forbidden. We need each other to have a valid and fun recreational league.

7 – Coaches must stay and coach from their “bench area” only. There is a maximum of 2 coaches and 1 team manager at each bench.

8 – Throw-in – If a player does an improper throw, the referee will stop the play and allow the player to retake it explaining the reason for the foul throw. If a player does an improper throw the 2nd time, the referee will stop the play and award the throw to the opposition.

9 – Team benches must be on the other side of the field away from the spectators. Spectators are not allowed at the end of the fields.

10 – There will be no smoking at the field by either coaches or parents. Please ask your parents to move to the parking lot if they wish to smoke during a game or practice.

11 – Games may be rescheduled by the mutual consent of the home team coach and the visiting team coach, must be approved by the division convener and subject to the following guidelines:

- a) Rescheduling must be done at least 7 days prior to the game date. If there are fewer than 7 days until the game a reschedule will not be allowed.
- b) A new game date must be decided upon before the reschedule will be permitted.
- c) A referee and field must be available and booked by the home team coach before the reschedule will be permitted.

12 – Only the referee can cancel play during the game or just prior to the start of the game. Normally this would be due to thunderstorms (lightning present). The home coach should notify the visiting coach of field closures before 5:00 PM.

13 – For cancelled games, both coaches must arrange to reschedule the game within one week. The division convener must be notified by the home team coach.

14 – If the coaches can not agree on a reschedule date (due to a reschedule request or cancellation) the division convener will assign a date, field and time for the game. The home team is responsible for scheduling referees.

15 – Fields must be properly lined with goal nets installed. Fields must be clean and appropriate for playing. Poor field conditions must be reported to the division convener immediately following the game.

16 – A size 4 ball will be used and supplied by the home team. Field sizes are approximately 40 yards by 60 yards, and the net size is 6 feet by 16 feet.

17 – Offside will not be called

18 - No scores or standings will be kept

## **2013 INTER-COUNTY SOCCER LEAGUE RULES - U12**

- b) Goal being scored
- c) Goal kick
- d) Own throw-in or if the other team substitutes on their throw-in

2 – Maximum number of players on the field is 11 per team. Each team must play even aside on the field. A team with less than 7 showing up must forfeit the game. 3 – A team may call up players only to replace missing players or to a maximum of 14 players, whichever is greater. Players must be registered to your club in the U10 age division.

4 – The game will be divided into 2 - 35 minute halves and a 5 minute break at half time.

5 – Each player that dresses for the game must play 50% of the game unless injury or illness prevents this (note: this is the coach's responsibility not the referees).
