## 2012 League Rules

### **Mini Code for Coaches**

- Your responsibility is to ensure that players are having “fun”. (Remember children are not miniature professionals)
- Never ridicule or scold a youngster for a mistake. Remember no child intentionally makes a mistake.
- Applaud loudly a good effort by your team and the opponent.
- Coaching at this level is a collective collaboration. If we all work together, all our youngsters will improve.
- Encourage all youngsters to develop basic skills but remember to be reasonable in your demand on their energy and enthusiasm.

### **The following are all guidelines Mini Coaches should follow:**

- Dress appropriately
- Be punctual
- Must be very positive and enthusiastic
- Must be organized
- Must be the most popular coach to their young players
- Personal Conduct (above reproach)
- Understand the rationale for Mini Soccer
- Coach in the game if necessary (Be on the field)

## Mini Soccer and Developing Young Players

Common sense must prevail in terms of getting kids kicking a ball in an area that will allow them to interact within a game situation. They must be able to touch the ball allowing them situations that will guarantee them the opportunity to grow into the regulation game of full field and 11 v 11. That can only be done by educating them to make decisions, execute a skill, understand their role and enjoy learning this very enjoyable game

Please review the diagram below which shows a typical 7 v 7 set-up and should help to visualize the rationale for the mini game. This format embraces The Ontario Soccer Association's "Possession of the Ball" philosophy.

As you can appreciate triangles are the basic shape for all passing and support movements and so you can understand why it is important to encourage play within a relative environment that will allow children to execute passing and receiving the ball with successful results. 7 v 7 will guarantee that our youngsters understand depth and width naturally which is conducive to the progression into the 11 v 11 game.

## Summary

- 7 v 7 on a mini field will allow more contacts on the ball
- The field is long enough for these young defenders to pass the ball forward past pressure (Long Passing)
- Strikers have the opportunity to support deep with width capabilities and lateral support (Near and Far Support)
- Goalkeepers have a reduced size of goal allowing most U-10 youngsters to reach the crossbar
- Allows for possession of the ball in a supporting environment for positions (triangles) (Short Passing & Receiving)
- Laws/structure simplified.

## The Mini Field

## MINI SOCCER RULES

### RULE 1: The Field (U8 and U10)

- Field markings shall be clearly visible and of uniform width of approximately 5 inches (12.7cm). All lines are part of the area they encompass.
- The size of the goals shall be 16 feet (4.9M) wide and 6 feet (1.8M) high.
- The width of the goals shall be measured from the inside of one goal-post to the inside of the other goal-post, and the height from the ground to the underside of the crossbar.
- Whenever possible, goal-nets shall be used.
- Corner-posts shall stand not less than 5 feet (1.5M) from the ground and shall be placed in each corner of the field of play.

### Off-side: U10 and U12

1. A player in an offside position is only penalized, if at the moment the ball touches or is played by one of their teammates, and in the opinion of the referee, they are involved in active play by:
  - a. Interfering with play,
  - b. Interfering with an opponent, or
  - c. Gaining an advantage by being in that position
2. There is no offside if a player receives the ball directly from:

- Teams should make best efforts to have 40% girls on the team (if possible based on registration). Deviation from this will be reviewed by the SMSL executive
- When playing, at least ½ of the girls available should be on the field at all times.
- If there appears to be an issue with the number of girls available for the game, coaches should communicate prior to the starting to obtain agreement with the team make-up
